Completing these steps helps to protect your privacy.   - **a** Return Transcript, which includes most of the line items of a tax return as filed with the IRS. A tax return transcript does not reflect changes made to the account after the return is processed. Transcripts are only available for the following returns: Form 1040 series, Form 1065, Form 1120, Form 1120-A, Form 1120-H, Form 1120-L, and Form 1120S.   - **b** Account Transcript, which contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed. Return information is limited to items such as tax liability and estimated tax payments. Account transcripts are available for most returns. Most requests will be processed within 10 business days.
  - **c** Record of Account, which provides the most detailed information as it is a combination of the Return Transcript and the Account Transcript. Available for current year and 3 prior tax years. Most requests will be processed within 10 business days.
- **7 Verification of Nonfiling,** which is proof from the IRS that you did not file a return for the year. Current year requests are only available after June 15th. There are no availability restrictions on prior year requests. Most requests will be processed within 10 business days.
- **8 Form W-2, Form 1099 series, Form 1098 series, or Form 5498 series transcript.** The IRS can provide a transcript that includes data from these information returns. State or local information is not included with the Form W-2 information. The IRS may be able to provide this transcript information for up to 10 years. Information for the current year is generally not available until the year after it is filed with the IRS. For example, W-2 information for 2011, filed in 2012, will likely not be available from the IRS until 2013. If you need W-2 information for retirement purposes, you should contact the Social Security Administration at 1-800-772-1213. Most requests will be processed within 10 business days.

**Caution:** If you need a copy of Form W-2 or Form 1099, you should first contact the payer. To get a copy of the Form W-2 or Form 1099 filed with your return, you must use Form 4506 and request a copy of your return, which includes all attachments.
