The Uintah Basin Association of Governments considers all applications without regard to race, color, sex, age, or national origin. If you have any questions, concerns or complaints about your services you may call the Program Director of the Uintah Basin Association of Governments.

### **Grievance Procedures:**

UBAOG seeks to provide a fair and objective procedure for handling client grievances. Clients who feel they have a grievance are entitled to seek relief without fear of restraint, reprisal, interference, coercion, or discrimination.

A "grievance" is a complaint by a client concerning the interpretation of policy, procedures, and/or conditions of personal treatment that have not been satisfactorily resolved in an informal manner between the client and offending party. Grievances by clients are to be addressed as follows: a.) Verbal or written with the Program Director; b.) if not resolved, provide a written letter to the Executive Director.

I've read and understand the Client Code of; Ethics for the Uintah Basin Association of Governments Community Services application process and agree to comply.
